FROM THURSDAY'S DAILY.

Eastern Star lodge meets to-night. Mr. and Mrs. W. Deering's infant child is seriously ill and not expected to live.

F. W. Blake has been on the sick list for two or three days, but is able to be around to-day.

The Atlantic & Pacific railroad has deeded lots 23 and 24, block I, in Flagstaff, to W. L. Van Horn, for \$100. J. B. Thomas, of Flagstaff, secured a

wool clip averaging ten pounds to each sheep, this year. A bill of sale from J. I. Marksbury to F. G. Marksbury, for cattle in Yava-

pai county, the consideration being \$4,000, has been filed for record. The city council will meet as a municipal board of equalization on Monday, July 29th, and for four days there-

after, from 10 o'clock a. m. until 4 p. m. Mr. and Mrs. J. W. Dougherty returned a few days since from a trip to Castle creek hot springs. The latter | day. is greatly improved in health from the

John Jackson, a foreman at the United Verde Copper company's mine, and brother of Orick Jackson, is in town. He is suffering from a slight attack of lead poisoning from the furnace.

A meeting of the mayor and common council was held July 17th, 1889, at 3 o'clock p. m., at which the clerk was instructed to have notice of meetings of city board of equalization published in the official paper.

Dr. Kersey, of Phenix, has a professional card in this issue, to which the attention of parties suffering from catarrh, eye, ear or throat troubles is directed. Dr. Kersey is not a traveling term, and has decided to engage in the in prospectiog the claim. practice of his profession during his

Tom Walker, a miner employed at a meritorious act, too. Jerome, had an altercation a few days ago with a Mexican, in which he is alleged to have used a billiard cue as a weapon. Walker went after a gun, and as he got hold of it the weapon was discharged, sending a bullet through his leg, which will lay him up for some time.

The social hop given last night at the Prescott opera house could not have been improved on in any of its features. The attendance was good, the music excellent, and the pleasure unalloyed. The encouragement given to these semi-occasional hops has led the coramittee to decide to keep them up at intervals, during the season. Those given have certainly proven very pleasant affairs.

Judge Fleury, a jury, and two or three attorneys were called on this afternoon to adjudicate a case between Eugene Lancess and John Sorg, the former claiming \$40 from Mr. Sorg for alleged services rendered. The jury, however decided that he did not even have a quit claim title to the amount, and awarded a verdict in favor of Sorg.

FROM FRIDAY'S DAILY. Dan O'Boyle, on Thursday, filed three

location notices for record. John Jackson left for his New River ranch this morning.

A party of fifteen or twenty young ladies and gentlemen went out for a picnic this morning.

Robert Purves, whose range is on the lower Agua Fria, has filed his stock brand for record.

Ferdinando Scopell has given a deed of trust to Joseph Dougherty for mining property in Crook Canyon.

A meeting of the Arizona fish commissioners will be held soon for the purpose of organizing. Henry Strauss, well known in Pres-

cott were he has resided for several years, died, in Phenix, July 17th. A band of Mexican gypsies arrived in town, to-day, with birds and other

articles for sale. F. G. Brecht has given a deed to the Prescott & Arisona Central railroad, for the right of way through his ranch

near Point of Rocks. Following are the big winners in Tuesday's drawing of the Louisiana lottery: 42,758; [9,223; 80,170; 73,384; 15,166; 5,784; 32,104; 75,426; 68,513; Cantrell, Geo

40,950; 78,111. Special Officer Smith, of the Atlantic & Pacific railroad company, brought a Chinaman in yesterday from Prescott Glasby, JC Judetion, charged with stealing coal Kennedy, J D

from cars in transit. There are yet a few delinquent subscribers to the Fourth of July Fund, and the committee do not wish to publish a statement until the same are paid, which must be previous to the 25th inst., when a full list of subscriptions paid and unpaid will be published.

The water has been shut off at the reservoir today for the purpose of allowing the water committee an opportunity to investigate the loss by leakage

and evaporation. Ed. Austin returned to-day, with his charming young bride, from the east, and both were the recipients of the warm congratulations of their many friends. They are stopping at the Bellevue.

The Walnut Grove dam is said to abound with a species of small fish, no larger than ordinary sardines, which have been named the "Hassayamper' species by Judge Howard, the piscatorial expert of the Arizons fish commission. The species is found only in the streams of Arizona, and are certainly very peculiar. In creeks where water is found only a few months in the year, these tiny little members of the finns tribe can be found in great abundance during the season when there is water. The creeks may afterwards dry up from one end to the other and there be nothing left but a streak of white sand to indicate that it was once a water course, south of town, who are in destitute cirand on the return of the rainy sesson cumstances, and worthy objects of and flowing water again in the creek charity. An investigation should be

Where they go during the period of drouth in the creek, and where they come from on the return again of water, is what is puzzling the fish commis-

When the leap year ball was given, last year, the committee having it in charge, had a surplus of seventy-five cents left after paying all expenses. Mrs. F. W. Blake, who was the financiai manager ofthe ball, as well as charw and of the committee of arrangements, deposited this surplus with jeweler, with a request that it be transformed into three souvenirs of the occasion,-one each for the committee. These souvenirs have just been received, and are very pretty little ones, consisting of gold bangles, with the date of the ball, "January 17th, 1888," engraved on them, and they will be worn by the three members of the commit tee who looked after the arrangements of the ball, as a memento of the occa-

Mining Intelligence.

J. H. Boyd sent seven miners and timberman out to the Boggs mine to

Shipments of ore from the Congress nine now average over 200 tons per month. As soon as the mill is com pleted they expect to add to this about 300 tons of concentrates per month.

Fred. Reif, of the Palace barber-shop and Charles Goldberg left yesterday for the White Mountain country, near San Carlos, to search for a mine located some time since by Reif. After locating the mine, Reif took out some samples of the ore and started to Prescott with them. On reaching the Verde river that stream was very high, and in attempting to ford it the mule on which the 'ore was being packed was drowned and the ore all lost. He has, however, great faith in the richness of physician, but is located in Phenix and | the ore, and the couple have gone with has come here to spend the heated the intention of spending two months

Interesting Crystals.

EDITOR JOURNAL-MINER :- Dr. Lin coln has handed me for examination some crystals he received from the Verde valley. I find them to be a pe peculiar form of carbonate of lime, beonging to the minus series of rhombohedra. They are from one to two inches in length, and are often in groups, or rosettes. Their general appearance is that of flattened rhombs, color, yellowish; translucent; fracture, granular; no clearage, and in this re spect remarkable. They contain some iron, and leave a slight insoluble res-WM. P BLAKE. Prescott, July 18, 1889.
